Mission Field: Atlanta, GA

The Sherwoods have been on the mission field since 1984. They are currently ministering to international students on the campus of Georgia State University and their neighbors in an underserved area of Atlanta.

Praise Report & Prayer Requests: Praise for the new Senior Network Volunteer group with believers and unbelievers – Pray as they develop relationships in their neighborhood so that the gospel may go forth; Pray for their Zoom Bible study on relationships with the international students; Pray for their relationships with the students who are lonely and far from home that they would deepen and grow in the gospel.
