AWANA Clubs

Mission Field: churches in Georgia

The Cyprians have been on the mission field since 2001. AWANA (Approved Workmen Are Not Ashamed) is an international, Bible-centered children and youth ministry providing local churches with weekly clubs and programs for preschool through high school. Their goal is to equip churches to reach children, teenagers, and their families, with the gospel of Christ and train them to serve Him.

Praise Report & Prayer Requests: Praise for our faithful support through prayers and finances; Pray as they support their churches doing AWANA this year through online resources and zoom meetings; Pray for the children and families to come to know Christ.
