

MISSIONARY PRAYER HIGHLIGHT

Rev. & Mrs. Ted and Jean Wright

Ethnos 360

Mission Field: Goose Creek, SC

The Wrights have been on the mission field since 1974. Their missions statement is to serve the Lord in whatever ministry He leads them into in order to fulfill His desire to reach every tribe, language, people, and nation with the message of forgiveness of sin through Jesus Christ and eternal fellowship with God. The Wrights currently lead the Brazilian church, hold Bible studies, visit Brazilians, and represent Ethnos 360 to African-American churches.

Praise Report & Prayer Requests: Praise for our prayers and support; Pray for the Brazilian members and the impact the economy has had on their jobs and their spiritual health especially since they are streaming their service weekly on Facebook; Pray for Sister Jean's health; Pray for opportunities for ministry during this unusual time.
